Dear Parents,

Every year, as the nice weather rolls around we find that the older students would rather walk home rather than take their assigned schoolbus home. **THIS IS NOT ALLOWED** unless there is a written permission by the legal guardian. If a child chooses not to follow our schoolpolicy and walks home instead of taking the bus without written permission, major consequences will be given for this action. Safety is top priority at MASH.

If you have any questions, please contact me at any time –  
475.220.2800.

Sincerely,

Mrs. Kaliszewski  
Principal
